

Start of season "Get Together"

You are invited to **join us**
for an evening with friends . . .

Sligo Airport has kindly placed the Bar/departure lounge at our disposal for a social evening for aviators and friends on **Sunday, 16th March.**

Fly in or drive to the northwest and join us for our first social event of 2008. Beers, drinks, sandwiches and bar bites – is there a better way of preparing the system for the full-blooded St. Patricks day session ???

We are also celebrating the arrival of the Christian Eagle and the graduation of a few of our members to the commercial airline ranks.

Bed and Breakfast available at chez CFI, Pdraig Gallagher, contact Margaret on 087-7912365 or others at <http://www.strandhillonline.com/services/>

We look forward to your presence at one of Irelands friendliest GA Airports.
